

# history

Antioch Missionary Baptist Church of San Antonio, Texas was organized in June 1935. Our founding pastor was Reverend Rufus Wilson, who served the congregation for 17 years. This band of baptized believers started with a small number of approximately 50 Saints.

Through the years, Antioch has grown in strength and numbers. We were blessed to recognize tremendous growth under Reverend Dr. John J. Rector, Sr., who served as Senior Pastor for almost 41 years. This growth was associated with selfless service to the community and it was perpetuated and enhanced by the service of Reverend Dr. E. Thurman Walker, who served as Assistant Pastor/Co-Pastor for 6 years, before serving as Senior Pastor for 16 years.

The current Senior Pastor is Reverend Dr. Kenneth R. Kemp, who served as Assistant Pastor/Co-Pastor for 5 years, before being called to the Senior Pastorate in 2009. We continue to lift Christ, serve our community, and make a difference through meaningful ministry. We have a multi-generational and multi-faceted fellowship with a place for you, your family, and your particular gifts.
